

Introducing:

PermaTrans[®] S520SFT Soft Fabric Transfer

PermaTrans S520SFT Soft Fabric Transfer is a high quality image transfer paper that is soft to the touch after transfer.

PermaTrans S520SFT Soft Fabric Transfer is ink-jet compatible which allows easy at-home printing and transfer. It takes just minutes to design, print and create projects on cotton, cotton blend and Lycra fabrics with a soft-to-the-touch finish.

SOFT TO THE TOUCH

TRANSFERS TO COTTON, COTTON BLEND AND STRETCHABLE FABRICS LIKE LYCRA

EASY TO PEEL BOTH HOT AND COLD

EXCELLENT COLOR DENSITY AFTER TRANSFER AND WASHING

PERMANENT FABRIC TRANSFER

WITHSTANDS SEVERAL WASHINGS

EXCELLENT QUALITY WITH INKJET PRINTERS

PRINT QUALITY TESTED USING OEM INKS ONLY

FOR LIGHT OR WHITE COLORED FABRICS

COMPATIBLE WITH HAND IRON AND HEAT PRESS
